2010-2011 Standards for Accreditation of Oklahoma Schools

- (C) The district must hold a public hearing prior to the adoption of an extended day schedule.
- (D) The district must document the impact on student achievement as determined by the academic performance index score and any other relevant factors that are a result of the implementation of an extended day schedule.
- (E) The district must provide an annual report to the State Board of Education on the result of the extended day schedule and the impact on student achievement. [70 O.S. § 1-109]
- (i) If, because of emergency situations, school has been missed more than fifteen (15) days, the State Board of Education will consider forgiving a portion of those days or in rare instances all days missed, on a case-by-case basis. Exceptions to the fifteen (15) day minimum will be made at the recommendation of the State Superintendent and forgiveness will be considered by the State Board of Education on a case-by-case basis.
- (j) If a school district determines that it is necessary to deviate from the required 6-hour school day because of severe weather conditions or fire, the superintendent should report this, in writing, to the State Department of Education, Accreditation Section, within 72 hours. Any loss of school time shall require the superintendent to report the amount of time lost and the procedures to be used to make up the lost time.
- (k) *Schools shall obtain permission from the State Board of Education before conducting Saturday classes to complete a standard school term including professional days.* [70 O.S. § 1-112] (09)

210:10-1-4. Length of term

- (a) The minimum length of term will be ten (10) months (180 days actually taught). Provided not to exceed five (5) days of 180 days required may be used for attendance of professional meetings. Where professional days are taken, they shall be so recorded in the register of attendance in a like manner as holidays are recorded. The legal aggregate days attendance will be divided by days actually taught to obtain the legal average daily attendance. Any school district holding less than a full term will have its state aid reduced proportionately. No district may have less than a full term of school unless conditions over which it has no control exist that would prevent the district holding a full term. In cases where sites within a district have different length terms the average daily membership (ADM) and average daily attendance (ADA) shall be calculated for each site separately.

210:35-3-47. School reports and records

Well delineated policies and procedures for records and reports shall be developed and kept current.

- (1) Records and reports needed for effective planning, operation, evaluation, and reporting shall be kept relative to the following components of the educational program:
 - (A) Administrative operations
 - (B) Curriculum
 - (C) Guidance
 - (D) Health services
